

REP Parent / Catechist Handbook 2013-2014

Dear Parents and Catechists,

Once you have received and read this handbook, the REP Coordinators encourage you to ask questions and discuss this material with us. It is important that everyone involved in REP understand the policies and procedures by which we operate, especially since it deals with the health and safety, as well as the quality and efficiency of our children's faith formation.

We ask that you sign and return this form to your child's teacher or the REP Coordinators as soon as possible.

Thank You

By signing below, I am agreeing to abide by the policies and procedures in the Christ the King Religious Education Program Handbook for 2013-2014.
