Important Reminder: Please iron the sacristy laundry until it is completely dry before you return it to the parish office or sacristy. If the linens are damp, black mold begins to grow and the linens must be destroyed.

Laundry can be picked up after Mass on Sunday, Monday or Tuesday. The sacristy door is open from 7am – 8am. The laundry should be returned by Thursday of the same week.

Please make arrangements with Amy if you will be picking up the laundry from the parish office.

Wash the linens in warm water with a little bleach. **DO NOT PUT THE LINENS IN THE DRYER OR USE STARCH.** Instead, iron linens until completely dry. They will be perfectly crisp!

PLEASE SOAK THE SOILED SACRISTY LINENS before putting them in the washing machine. We don't have a functioning sacarium (a sink that is plumbed directly into the ground) so we need to do this extra step. Place the linens in a plastic tub/basin and allow them to soak in plain water for at least 20 minutes. Dispose of the water by throwing it outside onto the ground. **Please do not dump the water down the household drain.**

Purificators should be ironed flat first. Fold in 3's lengthwise and then folded in half from top to bottom and ironed. Finger towels should be ironed flat; folded in half and half again lengthwise and then folded in half from top to bottom and ironed.

Corporals should be ironed flat first; red cross should be on the left. Fold in thirds beginning with the left side. Then, fold in thirds from the bottom to center and then fold the top down.

If you have any questions or you are unable to complete the laundry, please call Amy at the parish office 272-3113 ext 315.

Thank you for your ministry at Christ the King, it is very much appreciated!
