

Ministry of the Month

Once a month we take some time to focus on a specific ministry in our parish. We have so many thriving, life-giving, ministries that we want to highlight, each in its own way, in order to share the vibrant growth of our parish community.

Finance Council

What Volunteers Have to Say...

"I first joined the Finance Council in 2004 under the parish leadership of Fr. Tom. Since that time, I've been privileged to work with 2 additional pastors (Fr. Neil, and Fr. Steve), helping to apply my knowledge of business and accounting to keep Christ the King financially strong, while at the same time expanding our school, parish, and community outreach. I've been honored and humbled to witness the generosity of the parish through a few economic cycles, including a pandemic, all in an effort to strengthen God's church on earth. Participation on the Finance Council is a great way to ensure future generations will be blessed with the same programs and opportunities that our parish enjoys today." ~ Eric

"Being a graduate of Christ the King, I am happy to participate on the Finance Council. To be able to give back to the parish that helped prepare me for high school and college means a lot. I could never do what our teachers and administration do, yet still want to help. Being able to play my small part in ensuring my children receive an even better experience than I did is very rewarding. It provides me a way to contribute based on my skill set." ~ Danny

"I enjoy the opportunity to serve as a member of the Christ the King Parish Finance Council. The council members provide consultation and oversight to Fr. Steve to ensure excellent stewardship of parish resources and provide accountability and transparency to the parishioners for the church's financial operations. Many council members have children who currently or previously attended Christ the King School and they do a great job understanding and integrating the needs of the church and school in our work as a council. The council members bring insights from their diverse backgrounds and professional experience that help to creatively solve issues that may arise."

"Participation on the finance council has given me deeper insight into the mechanics of the parish and appreciation of the quality staff that successfully navigate the daily challenges of church and school ministries. I have enjoyed working with fellow council members who I otherwise would not have met." ~ Chris

We would love for you to join us!

The Finance Council is comprised of parishioners with expertise in a variety of finance-related fields. They meet monthly to advise the Pastor and Business Manager on a variety of financial issues. They also review parish financial statements and approve the parish and school budgets. Parishioners with professional experience and training are encouraged to ask Fr. Steve about membership on the Finance Council.
