

Ministry of the Month

March 2018

Once a month we take some time to focus on a specific ministry in our parish. We have so many thriving, life-giving, ministries that we want to highlight, each in its own way, in order to share the vibrant growth of our parish community.

Christ the King School Board

What Volunteers Have to Say...

"It is a blessing to serve on the CKS school board as we strive to make God known, loved, and served. Catholic schools are at the heart of the Church's mission to teach and evangelize, so it is an honor to serve in this role at Christ the King."

- Eric Morin

"The School Board unites the various talents and professional experiences of our CKS parents while strategically guiding and setting the vision for our school. Being able to share my time with the school community in this capacity is fulfilling both emotionally and spiritually. I am happy to help, even in the smallest of ways, make CKS a better place for our children."

- Meredith Santucci

"School board members serve as a voice for our teachers, parents, and students. Our goal is to work collaboratively to make sure that we are providing the best spiritual and academic programs for every child at Christ the King. With an open heart and open mind we are able to advise our school's leaders on how to achieve student and school success."

- Abby Zielinski

"Fr. Steve and Mr. Hoffman do so much for our school children. Being a School Board member allows me to provide them with a little support in our school's mission to build Christ's kingdom through worship, academics, and service."

- Steve Appleton

"I appreciate the opportunity to use my professional education background in service of our parish school, thinking and talking through issues that are important to our school community."

- Sarah Lamphier
